

Statement from Ultra, Shell and Questar on Record of Decision for the Pinedale Anticline

Ultra, Shell and Questar are currently reviewing the Record of Decision (ROD) for the Pinedale Anticline Project Area that was released by the Bureau of Land Management (BLM). This has been an in-depth process and we appreciate all of the community participation that has helped shape the ROD. With this milestone, Ultra, Shell and Questar can continue to help our country efficiently meet its energy needs.

Ultra, Shell and Questar remain committed to developing the Pinedale Anticline in a responsible manner that benefits the environment, wildlife and the community. We will continue to provide extensive information on our operations to the community.

To pose a question to the operators or learn more about Ultra, Shell and Questar's proposal and mitigation commitments to balance resources on the Pinedale Anticline, please visit www.PinedaleSEIS.com or call 1-877-526-1007.
